CORE – New User Account

1. Go to the following URL: <https://ildfprprod.state-reg.tylerapp.com/portal/public>
2. Choose “Sign In” – located at the top right of screen.

3. Choose “Sign up” – located at the bottom of the screen.

4. Enter your Email, First Name, Last Name, and create a password that meets the requirements, then click "Sign Up."

The screenshot shows the ILogon sign-up interface. On the left, the 'Sign up' form includes fields for Email (filled with 'fake1@fake.com'), First name (filled with 'Bob'), Last name (filled with 'Smith'), Honoric suffix (optional), and Middle name or initial (optional). A note states 'Fields are required unless marked optional.' On the right, the 'Password requirements' list includes: At least 8 characters, A lowercase letter, An uppercase letter, A number, A symbol, No parts of your username, Does not include your first name, and Does not include your last name. Below these is a 'Password' field with masked characters and a toggle icon. A blue 'Sign Up' button is positioned below the password field. At the bottom right, a link says 'Already have an account? Sign In'.

7. Enter the code in the space provided and click "Verify."

The screenshot shows the ILogon mobile application interface. At the top, the "ILogon" logo is displayed. Below it is a mobile phone icon with a signal strength indicator. A user profile icon is visible on the left side of a horizontal line. Below this line, the heading "Set up phone authentication" is shown. The text "A code was sent to your phone. Enter the code below to verify." is displayed, followed by "Carrier messaging charges may apply". Below this is a section labeled "Enter Code" with a text input field. A blue "Verify" button is positioned below the input field. At the bottom, there are two links: "Return to authenticator list" and "Back to sign in".

8. Verify your email. Sign in to your email account, and look for an email from "State of Illinois." Click the "Verify your email" button and enter the verification code on the screen below.

The screenshot shows a web interface for ILogon. At the top is the ILogon logo. Below it is an email icon. A user selection dropdown menu is visible. The main heading is "Verify with your email". Below this, it says "We sent an email to" followed by a redacted email address. The text continues: "Click the verification link in your email to continue or enter the code below." There is a button labeled "Enter a verification code instead". At the bottom, there are two links: "Return to authenticator list" and "Back to sign in".
